The following members are present:-

Shri Sanjay Jain, Sr. Advocate, ASG, Chairperson, AWF Trustee Committee  
 Shri K.C. Mittal, Chairman, Bar Council of Delhi  
 Shri Surya Prakash Khatri, Member, AWF Trustee Committee  
 Shri Vishnu Sharma, Hony. Secretary, BCD & AWF Trustee Committee

Shri Sanjay Jain, Sr. Advocate, A.S.G., Chairperson, Advocates' Welfare Fund Trustee Committee, presided over the meeting.

1. We have examined the case of **Shri Rameshwar Kumar Mishra**. He is suffering from multiple myeloma c hypervelocity syndrome c B/L B/K Amputation done for BIL LL Gangrene. Pursuant to the above ailment, his limbs have also been amputated. He has submitted a request for Rs.6 Lakh towards the cost of his treatment. The office of Trustee Committee has verified from Sir Ganga Ram Hospital, the actual expenses incurred by him. From the verification, it emerges that an amount of **Rs.4,74,207/-** has been incurred on his treatment.

The Committee has deliberated over this case very carefully and it finds that the case is of exceptional nature. The applicant advocate is only 58 years old and has been left without limbs. He is Type-II sugar patient and is vulnerable to multiple ailments at any given point in time. The Committee, has examined his case only from the point of view of the extent of reimbursement which may be made to him. The Committee is of the opinion that a sum of **Rs.3,75,000/-** be sanctioned and disbursed to him. The Amount is directed to be transferred in his account through RTGS/NEFT.

2. At serial number 2, the Committee considered the case of **Shri Umesh Kumar**, who is a young advocate enrolled only in the year 2018. From the record, it emerges that the applicant was hospitalized since 29.04.2019 for Intestine Surgery in Fortis Hospital, Shalimar Bagh, New Delhi. He has made a claim for reimbursement of Rs. 5 lakh towards the cost of his treatment. As per the office report, a sum of Rs.4,11,352/- has been verified as regards the expenditure incurred. Keeping in view that the applicant is a young lawyer and has no parents or family members to support and further keeping in view that he is still undergoing treatment in the hospital, a sum of **Rs.3,75,000/-** be sanctioned and disbursed to him. The outstanding bills of the hospital can directly be paid from the amount so sanctioned. The office should verify the outstanding status and if the outstanding of the hospital is less than Rs.3,75,000/-, then the amount payable to the hospital be directly transferred to the hospital and balance amount be transferred to the bank account of the applicant. However, if the outstanding of the hospital is more than Rs.3,75,000/- the entire amount be transferred to the account of the concerned hospital.
3. The third case taken by the Committee is that of **Sh. Dharmendra Singh**, who has sought financial help for his kidney related ailment. He is a member since 1992 and has a practice of about 27 years. As per the record submitted by him he has already spent a sum of Rs.3,49,911/- towards the treatment. Keeping in view that he has a reasonable amount of seniority in the profession and is undergoing a treatment, which does not require hospitalization and it is not a case for transplantation surgery, the Committee is of the view that a sum of **Rs.1,25,000/-** be sanctioned and disbursed to his bank account directly by way of RTGS/NEFT.

4. The 4<sup>th</sup> case taken by the Committee is that of **Shri Hari Om Bhaskar**, who seeks financial help for his treatment of Bone Cancer. Shri Bhaskar has a practice of about 45 years and unlike the case of Shri Unesh Kumar who has no immediate family member to support him, there is no such peculiar situation obtained from the facts of his case. He has claimed an amount of Rs.2,43,330/-. The office report indicates that an estimate of Rs.1,63,032/- has been incurred for his treatment at Appollo Spectra Hospital. The applicant was hospitalized twice for brief period in connection with his treatment. However, his treatment has been undergoing as an O.P.D. patient only. Therefore, it emerges that he is an O.P.D. patient, who is undergoing his treatment. Keeping in view over all facts and circumstances, it will be appropriate if a sum of Rs.1,25,000/- is provided to him by way of financial help. Accordingly, it is decided that a sum of Rs.1,25,000/- be sanctioned and disbursed to his bank account directly through RTGS/NEFT.
5. The 5<sup>th</sup> case taken by the Committee is that of **Sh. Akhilendra Narain Singh**, who seeks financial help for his ongoing treatment. The case was sent for verification from the hospital, which is still awaited. In view of the fact that the hospital, without the consent of the applicant, declined to verify the expenditure. The applicant is being advised to give his consent in this regard so that his application can be considered in the next meeting. The case is accordingly deferred.
6. With the permission of the Chairperson, the following directions in the nature of standard operating procedures (SOPs) are being issued to the office of the Trustee Committee :

**ADVOCATES WELFARE FUND TRUSTEE COMMITTEE**

Minutes of the meeting of the Advocates Welfare Fund Trustee Committee held on 24.07.2019 (Wednesday) at 4.30 P.M. in the office of Bar Council of Delhi at 1-F, Lawyers' Chambers, Delhi High Court, New Delhi-110003.

Ms. Nandita Rao, Member, AWF Trustee Committee

Shri Sanjay Jain, Sr. Advocate, ASG., Chairperson, Advocates' Welfare Fund Trustee Committee, presided over the meeting.

1. The application of **Ms. Sandhya** for financial help was taken up as the first case. The matter pertains to gall bladder stone problem. The verified expenditure is in the sum of Rs.25,000/-. Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, the Committee is of the view that it will be appropriate, if a sum of **Rs.20,000/-** is sanctioned and released to the applicant. The office is directed to disburse the said amount directly in her account through RTGS/NEFT.

2. Secondly, the case of **Sh. Surendra K. Nischal** for financial help was taken up. His claim is based on accident related injuries. The injuries are not specific or categorical. It is further noticed that as against the demand of Rs.9,00,974/-, only a sum of Rs.2,82,693/- stands verified from the hospital concerned. The applicant has a practice of about 17 years. It is further noticed that the applicant obtained a claim of Rs.2 lakh from the Insurance Company. Not only this, the applicant has not been able to satisfactorily explain as to why did he not file any motor accident claim against the vehicle in question. Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, the Committee is of the view that in the facts of the case that a sum of **Rs.75,000/-** would be adequate as regards the claim in the present matter. The office is directed to credit the said amount directly in the applicant's account through RTGS/NEFT.

*Sanjay Jain*

3. The 3<sup>rd</sup> case considered by the Committee today is that of **Sh. Sanjiv Kumar**, who seeks financial help for cataract operation. He claims Rs.30,000/-. The verified expenditure is only to the extent of Rs.26,500/-. The Committee has taken note of the fact that the applicant has a practice of over 10 years and that he joined the Bar at the age of about 35 years. The Committee has also taken note of the fact that cataract operations in the present times are mostly done free of cost and even the paid operations are not very expensive. Keeping in view the age, experience, nature of ailment; degree of gravity and overall circumstances, as are obtaining from the facts of the case, the application of **Sh. Sanjiv Kumar** stands **rejected**.

4. The 4<sup>th</sup> case taken up by the Committee today is that of **Sh. Rameshwar Dass Goel**. He claims to have heart problems and has requested for a financial assistance of Rs.95,938/-. The verified amount is Rs.68,081/-. Though the applicant is 75 years of age, but he has joined the profession only in 2007, therefore, it can fairly be assumed that the applicant was engaged in some other vocation/profession or occupation/before joining the Bar. He is also an income tax payee. The Committee has no record, if the applicant had received any amount from any source. Nonetheless, Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, a sum of **Rs.50,000/-** is sanctioned and be released to him by crediting the said amount directly in the applicant's account through RTGS/NEFT.

5. The 5<sup>th</sup> case taken up by the committee is that of **Sh. Dharampal Sachdev**, who seeks financial help towards total knee replacement of his left leg. Said amount may be directly credited in the applicant's account through RTGS/NEFT.

6. The 6<sup>th</sup> case taken up by the Committee is that of **Ms. Rekha Tiwari**. She has sought financial help for having undergone the treatment for

*Singhania*

paralytic attack. Though she has demanded Rs.6,00,000/- the office verification shows the expenditure of Rs.1,25,000/-. Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, the Committee deems it appropriate to sanction and release a sum of **Rs.1,25,000/-** to the said applicant. Said amount may directly be credited to the account of applicant through RTGS/NEFT.

7. The 7<sup>th</sup> case taken up by the Committee today is that of **Sh.Subhash Kr. Anand**, who in a rather cantankerous manner, has sought a financial help as high as Rs.1,68,611/- towards the treatment of Thyroid, Apne and Tonsil etc. The office has verified the expenditure incurred as Rs.10,805/-. The Committee is the view that for such trivial ailment, the fund of the trustee committee cannot be utilized. The application is devoid of any merits. The same is **rejected**.

8. The 8<sup>th</sup> case of **Sh. Mayank Joshi** was taken up in this meeting. He has sought financial help for having undertaken treatment of arthritis. The applicant claimed Rs.3,80,231/- and though the office has not been able to verify the actual amount incurred, the applicant submitted copies of the bills received from the hospital to the extent of Rs.3.5 lakhs. The applicant is a young lawyer aged 34 years and has a peculiar problem of arthritis, which travels to all joints. Keeping in view overall circumstances, particularly, the fact that the ailment has resulted in reduction of size of one leg of the applicant, the Committee is of the view that a sum of **Rs.1,75,000/-** be sanctioned and released to the him. Said amount may directly be credited to the account of applicant through RTGS/NEFT.

9. The 9<sup>th</sup> case taken up by the Committee today is that of **Sh.Chander Mohan Sanon**, who seeks financial help for having undergone treatment of heart related ailment. He is claiming a sum of Rs.53,600/-. Keeping in view the moderate quantum of amount and the fact that the office is unable to verify the expenditure incurred primarily for the reason that the treatment took place in G.B. Pant Hospital, the Committee is of the view that a sum of **Rs.50,000/-** be sanctioned and released to the applicant by crediting the said amount directly in his account through RTGS/NEFT.

10. The 10<sup>th</sup> case taken up by the Committee in today's meeting is that of **Ms. Geeta Pal**, who sought financial help in the sum of Rs.1,12,490/-.

*Surya Sin*

The office has directed to verify the nature of ailment suffered by the applicant and also obtain documentary evidence of the treatment for T.B. as also the expenditure incurred in the treatment of TB. Matter is **deferred**.

11. The 11<sup>th</sup> case taken up in this meeting by the Committee is that of **Sh. Gajraj Singh**. He seeks financial help for having undergone the treatment of knee replacement. However, as it transpires, the expenditure incurred on the treatment claimed by the applicant, has not been verified till date. The applicant is advised to cooperate with the office in this regard and provide authentic proof of the expenditure incurred by him. The matter is **deferred**.

12. The 12<sup>th</sup> case taken up in this meeting is that of **Sh. Sajjan Kumar Aggarwal**, who sought financial help on account of heart problem. The applicant is of 49 years of age and has undergone the heart related treatment exclusively. He is identified as a patient of coronary artery decease (CAD). He has claimed an amount of Rs.2,80,220/-. However, verified amount is Rs.1,90,000/-. Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, the Committee is of the view that a sum of **Rs.1,40,000/-** be sanctioned and released to him. Said amount may directly be credited to the account of applicant through RTGS/NEFT.

13. The 13<sup>th</sup> case taken up by the Committee is that of **Sh. Priyanshu Maheshwari**, who has sought financial help for having undergone treatment of gall bladder stone problem. He has demanded a sum of Rs.3,70,255/- and the office has verified the expenditure as Rs.3,24,256/-. The matter is **deferred for personal appearance** of the applicant as the amount claimed vis-à-vis the ailment appears to be high.

14. The 14<sup>th</sup> case taken up by the Committee is that of **Sh. Naresh Kumar Kaushik**, who has sought financial help having undergone treatment for heart problem. From the bills, it has emerged that the applicant had spent Rs. 1 lakh in the surgery in Sir Ganga Ram Hospital. The office informs that unfortunately the applicant has since died. The office further informs that the widow of the applicant is already receiving Rs.5000/- per month from Bar Council of Delhi from Indigent & Disabled Lawyers Fund. Keeping in view that the nature of that fund is to provide temporary help to the applicant, the same cannot be the basis for denial

*Sanjay S.*

of the claim. The Committee is of the view that considering the peculiar facts and circumstances of the case, a sum of **Rs.75,000/-** be sanctioned and released to the widow of the applicant and be credited to her account directly through RTGS/NEFT.

15. The 15<sup>th</sup> case taken up by the Committee is that of **Ms. Rekha Sharma**. She is a 33 year old lawyer, who is stated to be suffering from blood cancer. The verified amount comes out to Rs.1,67,433/-. She has received treatment from Fortis Hospital and B.L. Kapoor Hospital and continues to be under treatment. Keeping in view the age, experience, nature of ailment, degree of gravity and overall circumstances, as are obtaining from the facts of the case, the Committee is of the view that the entire sum of **Rs.1,67,433/-** be sanctioned and released to her by crediting the said amount directly in her account through RTGS/NEFT.

16. The Committee under the head of any other matter took up the application of Mr. Mahesh Saini, who is working as Accounts Clerk in the Trustee Committee on adhoc basis. The Committee discussed the desirability of employing people on adhoc basis. Ms. Nadita Rao opined that since the Trustee Committee is a Statutory Committee, the employment with it is equivalent to public employment; that therefore, the most prudent method would be to invite applications and selecting candidates through a well defined recruitment process. The Committee has requested Ms. Nandita Rao to suggest a recruitment process, which can be discussed and adopted. The committee will endeavor to come out with such an advertisement at the earliest.

However, keeping in view that the services rendered by Mr. Mahesh Saini, are critical to the Trustee Committee and also keeping in view that he has rendered the services in an efficient manner so far, the Committee extends his current contract for 6 months purely on ad-hoc basis as till that time a regular appointment is expected to be made. His remuneration will be Rs.25,000/- per month starting from 1st August, 2019.

The meeting concluded with a vote of thanks to the Chair.

**ADVOCATES WELFARE FUND TRUSTEE COMMITTEE**

Minutes of the meeting of Advocates Welfare Fund Trustee Committee held on 18.09.2019 (Wednesday) at 4.30 P.M. in the office of the Council at 1-F, Lawyers' Chambers, Delhi High Court, New Delhi.

The following members are present:-

Shri Sanjay Jain, Sr. Advocate, ASG, Chairperson, AWF Trustee Committee  
Shri K.C. Mittal, Chairman, Bar Council of Delhi  
Shri Ved Prakash Sharma, Member, AWF Trustee Committee  
Shri Surya Prakash Khatri, Member, AWF Trustee Committee  
Ms. Nandita Rao, Member, AWF Trustee Committee

Shri Sanjay Jain, Sr. Advocate, A.S.G., Chairperson, Advocates' Welfare Fund Trustee Committee, presided over the meeting.

Minutes of the meeting dated 28.08.2019 were placed before the Committee. The same were read, understood and confirmed.

1. The 1st application taken up for consideration by the Committee is that of **Sh. Jaibir Hassan**, who seeks financial help for having undergone treatment of tongue cancer. Having regard to the age of the applicant, nature of ailment, his medical condition and the fact that he is suffering from cancer, the Committee is of the view that a sum of **Rs. 1 lakh** be sanctioned and disbursed to him, which may be transferred directly to his bank account through RTGS/NEFT.

2. The 2<sup>nd</sup> application taken up for consideration by the Committee is that of **Sh. Tilak Raj Arora**, who seeks financial help for having undergone treatment of rectum cancer. He claims approximately Rs. 14 lakhs, however, the bills submitted by him have not been verified, given the fact that the applicant is a cancer patient and has undergone extensive treatment at the hospital. He has also provided a list of bills in Annexure-A appended to the application concerning his treatment. A brief scrutiny of the bills indicate that a sum of Rs.7,52,579/- has been paid by the insurance company while a balance sum of Rs.3,86,976/- appears to have been borne by the applicant himself. The applicant was enrolled as an advocate way back in 1991. However, he became a member of the welfare fund only on 12.12.2018, while he was already suffering from the above ailment. The bills highlighted by him in Annexure-A pertain to the period from June 2017 to October, 2018. Thus, it clearly emerges that the bills pertain to the period prior to his becoming member of

the welfare fund. However, keeping in view that he is suffering from cancer, taking note of the provision of section 19-B of Advocates Welfare Fund Act, 2001, the Committee is the unanimous view that an ex-gratia payment of **Rs.1 lakh** be sanctioned and released to him, which may be transferred to his bank account directly through RTGS/NEFT.

3. The 3<sup>rd</sup> application taken up for consideration by the Committee is that of **Ms. Reeta**, who seeks financial help for having undergone treatment after accident (thumb) detachment. She has requested for a sum of Rs.1,30,559/-. She is a member of welfare fund since 2012. From the documents submitted with the Committee, we take note of a bill dated 19.12.2018 indicating her hospitalization in a hospital at Faridabad. The said bill is of Rs.35,000/-. The Committee has taken note of another bill dated 12.01.2019 which is in the sum of Rs.20,000/-. This also pertains to hospitalization.

Given the fact that it is a case of amputation of thumb, accordingly, the Committee is of the unanimous view that a sum of **Rs.55,000/-** equivalent to the amount of above two bills, be sanctioned to her. The said sum be released to the applicant by way of direct transfer to her bank account through RTGS/NEFT.

4. The 4<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Mahipal**, who seeks financial help for having undergone treatment of heart stroke. He is a member of the welfare fund since 2002 and has a seniority of 33 years in the profession. The applicant is also an income tax payee. Taking into account the seniority of the applicant, nature of ailment and other attending circumstances, the Committee is of the unanimous view that an ex-gratia grant of **Rs.1,50,000/-** be sanctioned and released to him by way of direct transfer to the bank account of the applicant through RTGS/NEFT.

5. The 5<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Baidhya Nath Sah**, who seeks financial help for having undergone treatment of heart problem. He is a member of the welfare fund since 2009 and is in the profession for the last 20 years. Taking into account the seniority, nature of ailment and other attending circumstances, the Committee is of the view that a sum of **Rs.1,50,000/-** be sanctioned and released to him. The said sum be directly transferred to the bank account of the applicant through RTGS/NEFT.

6. The 6<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Arnold Harvey**, who seeks financial help for having undergone treatment of heart problem. He is enrolled as an advocate since 2014 and became a member of the welfare fund in 2014 only. It is noticed that the applicant is 53 years of age, but is enrolled only five years back, at the age of 48 years. Under the circumstances, it becomes necessary for the Committee to find out as to what was he doing prior to his enrolment as an Advocate. Since necessary details are not available, the Committee directs the administrative office to request Bar Council of Delhi to provide the original enrolment file of the applicant. Accordingly, this case is **deferred**.

7. The 7<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Dharamvir Goyal**, who seeks financial help for having undergone treatment of heart problem. The applicant is 56 years of age and is an advocate enrolled since 1989. He became member of the fund on 05.05.2011. Taking into account the seniority in the profession, nature of ailment and over-all circumstances, the Committee is of the view that a sum of **Rs.1,50,000/-** be sanctioned and released to the applicant by way of direct transfer of the amount to the bank account of the applicant through RTGS/NEFT.

8. The 8<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Pankaj Ujjwal**, who seeks financial help for having undergone treatment of tumor. The applicant is enrolled since 2009 and is a member of the fund since 2009 itself. He has made a demand of Rs.5,20,000/-. However, a perusal of the record shows that there is no document pertaining to diagnosis, nor is there any coherent summary of the expenditure bills. The administrative office to take steps to verify the documents submitted by the applicant. The applicant may also be asked to submit the papers relating to his diagnosis and the discharge summary from the hospital. The matter is **deferred**.

9. The 9<sup>th</sup> application taken up for consideration by the Committee is that of **Ms. Gulshan Jahan**, who seeks financial help for having undergone treatment after accident. However, the record shows that she is not a member of the welfare fund and as such, her case cannot be considered. The application is, accordingly rejected.

10. The 10<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Muzaffar Sultan Siddiqui**, who seeks

financial help for having undergone treatment of prostate. The applicant has already taken financial help thrice i.e. on 16.12.2013, 18.03.2014 and 28.10.2014 respectively, from this fund, aggregating approximately Rs.30,000/- on account of Hernia and infection. The Committee has scrutinized the documents submitted by him pertaining to prostate related operation. The applicant is enrolled since 2000 and has been a member of this fund since 2004. Taking into account, his seniority in the profession, nature of ailment and over all attending circumstances, the Committee deems it appropriate to sanction a sum of **Rs.30,000/-** to the applicant. The said sum be disbursed to the applicant by way of direct transfer to his bank account through RTGS/NEFT.

11. The 11<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Manoj Kumar Bharti**, who seeks financial help for having undergone treatment after accident. The applicant is enrolled since 2006 and is a member of the fund since 2013. Given the financial background, nature of treatment and over all circumstances, the Committee is of the view that a sum of **Rs.1 lakh** be sanctioned to the applicant. The amount may be transferred to the bank account of the applicant directly through RTGS/NEFT.

12. The 12<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Mohd. Minhajuddin**, who seeks financial help for having undergone treatment for infection in right ear, for which he has demanded Rs.60,000/-. Taking into account the financial status of the applicant and over all circumstances, the Committee is of the view that a sum of **Rs.30,000/-** be sanctioned and released to him by way of direct transfer to the bank account of the applicant through RTGS/NEFT.

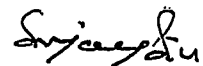

13. The 13<sup>th</sup> application taken up for consideration by the Committee is that of **Ms. Shalini Saxena**, who seeks financial help for having undergone treatment of knee replacement. The applicant is 58 years of age and is enrolled since 1990. She is a member of the fund since 2013 and has requested for financial help of Rs.2,15,000/-. She appears to have incurred an expenditure of Rs.1,70,000/- for acquiring two sets of knee replacement equipments. Having regard to the seniority of the applicant, nature of ailment and over all circumstances, the Committee deems it appropriate to sanction a sum of **Rs.1 lakh**. The said amount be

transferred directly to the bank account of the applicant through RTGS/NEFT.

14. The 14<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Gajraj Singh**, who seeks financial help for having undergone treatment knee replacement. He is enrolled since 1976 and is a member of the fund since 2008. He has submitted a bill of Rs.2,30,000/- for having purchased two sets of equipment of knee replacement. Given the seniority of the applicant, nature of treatment and over all circumstances, the Committee deems it appropriate to sanction a sum of **Rs.1 Lakh** to the applicant. The said sum be disbursed to the applicant by way of direct transfer to his bank account through RTGS/NEFT.

15. The 15<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Manish Kumar**, who seeks financial help for having undergone kidney transplant. The applicant has received the kidney, donated by his mother and its procedures were carried out at Sir Ganga Ram Hospital. The hospital has verified a sum of Rs.8,86,542/-. It is noticed that the applicant became a member of the fund in March 2018, while he was operated for kidney in July, 2018. Needless to say that the kidney condition of the applicant precedes his membership. He has been visiting the hospital in relation to his kidney related problem since January, 2018. Further, it is also noticed that out of Rs.8,86,542/- approximately Rs.2 lakh is the expenses towards room rent. Therefore, in the peculiar facts and circumstances, the Committee is not inclined to factor for the entire expenditure incurred at Sir Ganga Ram Hospital and deems it appropriate to confine the sanction to a sum of **Rs.4 lakh**. The said sum be disbursed to the applicant by way of direct transfer of the amount to his bank account through RTGS/NEFT.

The meeting concluded with a vote of thanks to the Chair.

Minutes of the meeting dated 04.12.2019 were placed before the Committee. The same were read, understood and confirmed.

1. The 1st application taken up for consideration by the Committee is that of **Sh. Gaurav Kajla, Advocate** (Enrolment No.D/396/208) who seeks financial help for having undergone treatment for liver abscess. From the record, it emerges that the claimant advocate was not a member of the fund at the time of his ailment. Under the circumstances, he is ineligible to be considered for any financial help. He may, however, be advised to approach Bar Council of Delhi for seeking ex-gratia grant from Bar Council of India Advocates Welfare Fund under section 40 of Bar Council of India Rules.

2. The 2<sup>nd</sup> application taken up for consideration by the Committee is that of **Sh. Amresh Kumar, Advocate** (Enrolment No.D/41/2003), who seeks financial help for having undergone treatment for liver transplant. The office verifies that he has spent a sum of Rs.22,04,000/- in his treatment. The office report further indicates

that in 2017, he was granted a sum of Rs.1,84,778/- for liver related disease. Keeping in view the nature of ailment, age of the applicant, seniority at the Bar and other relevant circumstances, it is deemed appropriate to sanction a sum of **Rs.8,00,000/- (Rupees Eight Lakh only)** to the applicant, which may be transferred to his account through RTGS/NEFT. It is made clear that for the treatment till today, no further application shall be entertained from the applicant.

3. The 3<sup>rd</sup> application taken up for consideration by the Committee is that of **Sh. Sana-Ul-Haq** [Enrolment No. D/295/1996(R)], who seeks financial help for having undergone treatment for heart-attack. From the record, it emerges that the claimant advocate was not a member of the fund at the time of his ailment. Under the circumstances, he is ineligible to be considered for any financial help. He may, however, be advised to approach Bar Council of Delhi for seeking ex-gratia grant from Bar Council of India Advocates Welfare Fund under section 40 of Bar Council of India Rules.

4. The 4<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Keeping in view the nature of ailment, age of the applicant, seniority at the Bar and other relevant circumstances, a sum of **Rs.50,000/-**

(Rupees Fifty Thousand only) is sanctioned to the applicant, which may be transferred to his account through RTGS/NEFT.

Though the applicant has claimed a sum of Rs.15 Lakhs, the verified amount is Rs.2,64,874/- from a dental clinic called 'Cloves'. The applicant is 75 year old and is enrolled as an Advocate since 1975. Keeping in view the age of the applicant, nature of ailment, seniority at the Bar and other attending circumstances, the Committee deems it appropriate to sanction a sum of **Rs.2,00,000/- (Rupees Two Lakh Only)** to the applicant, which may be transferred to the account of the applicant through RTGS/NEFT.

6. The 6<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. It appears from the office record that the applicant has also received a grant for a sum of Rs.1,50,000/- from Motor Accident Claims Tribunal. While his treatment cost as per his application is Rs.1,20,000/-, the verified amount is only Rs.96,333/-. Be that as it may, in view of the fact that the applicant has already been compensated by the appropriate tribunal, his application is rejected. It

was expected that the applicant would have disclosed the relevant facts on his own without compelling the Committee to take up his case and spend its valuable time on the same.

7. The 7<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Pramath Kumar Sharma, Advocate** (Enrolment No. D/557-A/2005), who seeks financial help on account of an ailment called 'Deep Vein Thrombosis' (DVT). 9. The 9<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Manoj Kumar, Advocate** (Enrolment No.D/4692/2010) who seeks financial help for having undergone treatment of typhoid and dengue fever. The applicant claimed Rs.6,45,000/-. From the verification exercise by the office, it emerged that the hospital raised a bill of Rs.80,352/- which was settled through medical insurance. Keeping the above factor in mind, the application of the applicant is rejected.

10. The 10<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Suresh Chand Sharma, Advocate** (Enrolment No.D/1209/2005) who seeks financial help for having undergone treatment for Hepatitis B. The office informs that the applicant has already been paid a sum of Rs.1,50,000/- in 2011 and further sum of Rs.3,00,000/- in 2012. The case of the applicant is primarily premised on the medicine bills. He has not been able to produce any cogent material as regards his treatment record. Merely on the basis of the chemist bills and test reports, a case for consideration by this Committee cannot be made out. In the opinion

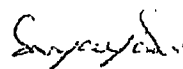

of the Committee, the applicant has already taken the benefit of Rs.4,50,000/- from this Committee without producing any cogent evidence. Be that as it may, there is no ground for further indulgence of the applicant. His application is rejected.

However, she has been able to produce only the medicine bills as she claims that she has to take insulin on regular basis. She also has a medical policy from United Insurance. The Committee is of the view that diabetes is either hereditary or lifestyle disease and requires constant monitoring. The applicant is a practicing advocate and is an income tax assessee and is expected to meet the cost of regular treatment on account of diabetes. She has not produced any other cogent material to make out a case for extending financial help from the Committees fund. The application of the

applicant is rejected. However, she has the right to approach Bar Council of Delhi seeking ex-gratia from Bar Council of India Advocates Welfare Fund under Rule 40 of Bar Council of India Rules.

12. The 12<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Ashok Kumar Rawal**, Advocate (D/353/1978). The office informs that till date he has received a total sum of Rs.39,000/- from this fund for the same problem. His retina related problem dates back to the year 2006. However, keeping in view the nature of ailment, age of the applicant and other attending circumstances, the Committee is the view that a sum of **Rs.40,000/- (Rupees Forty Thousand)** be sanctioned and released to the applicant through RTGS/NEFT.

13. The 13<sup>th</sup> application taken up for consideration by the Committee is that of **Ms. Subhash Chand Gupta**, Advocate (Enrolment No.D/210/1981), who seeks financial help for having undergone treatment for tuberculosis (TB). The verified amount is only in respect of his OPD related expenditure, which is Rs.20,187/-. Keeping in view the age of the applicant, nature of ailment and other attending circumstances, the Committee deems it appropriate to sanction and disburse a sum of **Rs.20,000/- (Rupees Twenty Thousand Only)** to be transferred to his account through RTGS/NEFT.

14. The 14<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. Kumar Shanu Gautam**, Advocate (D/3312/2018), who seeks financial help for having undergone treatment for kidney, liver and body infection. The applicant appears to have been treated primarily at Yashoda Hospital & Research Centre, Nehru Nagar, Ghaziabad. From the final bill dated 03.09.2019, which is at page 40 of the file, it emerges that a sum of Rs.21,615/- was charged for various procedures; a sum of Rs.41,100 was charged as fee for various specializations. A sum of Rs.6,176/- is charged for laboratory and Rs.45,000/- was charged towards ICU. Keeping in view the age of the applicant, nature of ailment and other attending circumstances, the Committee deems it appropriate to sanction and disburse a sum of **Rs.75,000/- (Rupees Seventy Five Thousand only)** to the applicant to be transferred to his account through RTGS/NEFT.

15. The 15<sup>th</sup> application taken up for consideration by the Committee is that of **Sh. The Committee is of the view that a sum of **Rs.90,000/- (Rupees Ninety Thousand only)** be sanctioned and

110

disbursed to the applicant by way of transferring the amount to his bank account through RTGS/NEFT.

After the conclusion of the agenda items, on the advice of office, an application received from Mr. Mahesh Saini, Adhoc Accountant of the Trustee Committee is taken up for consideration, wherein he requests to be absorbed on permanent basis as an Accountant.

His application cannot be entertained for permanent appointment for the reason that the Trustee Committee is a public body and any permanent appointment can be made only through advertisement of the post in public domain and inviting applications from reasonable number of persons for an intelligible consideration before such an exercise is undertaken. First of all, it is to be determined by the Committee as to whether an accountant on permanent basis is required or not. The office is directed to put this subject as an agenda item in the next meeting.

Though the application of Mr. Mahesh Saini is liable to be rejected for want of any identifiable post of accountant in the Trustee Committee, purely as a one-time interim measure, his adhoc appointment is extended for a period of three months. This is to enable him to look for alternative opportunities. Needless to say that if the Committee advertises any post of accountant on permanent basis, he will be at liberty to apply for the same as per the rules, subject to his fulfilling the legibility criteria.

111

Accordingly, a suitable letter be issued to Mr. Mahesh Saini extending his appointment till 30.04.2020.

It is further directed to include his name in the attendance register and he will mark his attendance because any remuneration that is payable to him will depend upon his reporting for work in the office of the Trustee Committee.

The meeting concluded with a vote of thanks to the Chair.

She has demanded a sum of Rs.4,50,769/-. The entire amount has been verified by the hospital. The office informs that she has already been paid Rs.1,00,000/- on 04.06.2020 as advance payment. Keeping in view the facts and circumstances, nature of ailment and the fact that she is still undergoing treatment, the Committee deems it appropriate to sanction an ex-gratia grant of **Rs.3,00,000/- (Rupees Three Lakh)** which may be transferred to the bank account of the applicant through RTGS/NEFT.

13. The 13<sup>th</sup> application by way of supplementary agenda taken up this evening for consideration was that of **Sh. Sunil Tiwari, Advocate (D/6-**

**A/1995**), who has sought financial help for having undergone treatment for CLD with PHT and Pleural Effusion. The applicant has claimed Rs.2,42,000/-, out of which, a sum of Rs. 2,16,000/- has been verified. It emerges that a sum of Rs.1,60,028/- has been borne by the Insurance Company. Keeping in view the facts and circumstances, nature of ailment, data and documents available on record, the Committee deems it fit to sanction an ex-gratia grant of **Rs.45,000/- (Rupees Forty Five Thousand)** to the applicant, which may be transferred to his bank account through RTGS/NEFT.

14. The 14<sup>th</sup> application by way of supplementary agenda taken up this evening for consideration was that of **Sh. Sumesh Kumar Arya, (D/812/1995)**, who has sought financial help for having undergone treatment for COVID-19. However, it has been found that the application is not supported by any documents. The office may write to the applicant to submit the supporting documents. Upon receipt of the same, the application may be placed in the meeting after the receipt of the documents.

In the last meeting of the Committee dated 10.07.2020, it was decided that the Sub-Committee will generally observe a ceiling of Rs.20,000/- for financial assistance to COVID related cases. It has been noticed that the Indigent Committee of Bar Council of Delhi has been sanctioning a sum of Rs.25,000/- for such cases. Therefore, to maintain equality, it has been decided by the Committee that the enhanced ceiling of Rs.25,000/- ought to be observed for such cases by the Sub-Committee.

It has also come to the notice of the Committee that a large number of advocates have applied for membership of the Advocates Welfare Fund by making on line payment. However, the office has not been able to provide some of them with any receipt or other proof. This is a serious matter and the concerned Accountant should immediately apprise the Hony. Secretary, the plan to address this issue. The efforts should also be made to inform the applicants on whatsapp and they may be advised to have their receipts collected from the office of Advocates Welfare Fund at Delhi High Court office of Bar Council of Delhi.

The above position also holds good for those advocates, who have paid arrears of their subscription. They also seemingly have not got receipts for the same. The concerned Accountant, while looking into the above, will also address this aspect of the matter. Needless to say that there is an immediate requirement to create the data by the office of Advocates Welfare Fund as to actual membership post clearance of the arrears of the subscription.

Shri Ved Prakash Sharma, Member Advocates Welfare Fund Trustee Committee pointed out that in COVID related matters, there would be three

*Surya S.*

situations. The first situation is that all the people who have suffered from COVID and recovered at home. The second category of cases would comprise of those advocates, who got themselves treated in a Government Hospital and have incurred nominal expenditure. The most crucial category is that of those advocates i.e. the third category, who have been treated in private hospital, incurring huge amount of money. This category, Sh. Sharma pointed out, has to be sub-divided into two parts. The first sub-category comprises of those advocates who are medically advised or rather compelled to go to private hospitals to save their lives, and second sub-category comprises of those advocates who out of their financial capacity or choice, decided to get admitted in private hospitals. It was pointed out by him that the Committee should refrain from spending the fund on the second sub-category of advocates. The Committee is in agreement with him and while disposing the medical cases of COVID-19, the above aspect will be kept in mind.

There are some applications, mostly those of COVID related cases, put up for consideration today before the Committee. It has been informed by the office that some of those COVID related applicants have also applied before Bar Council of Delhi Indigent & Disabled Lawyers Fund for financial assistance and were already sanctioned one time financial relief from the Indigent & Disabled Lawyers Fund. Hence, the office is directed to check and verify the payment status of these cases and put up a detailed list before the Committee. For the purpose of considering these applications, a further meeting of the Trustee Committee is called on 21.08.2020 at 4.00 P.M. via videoconferencing.

The office informs that Shri Ved Prakash Sharma and Shri Surya Prakash Khatri were nominated by this Committee as Members by an order of Hon'ble Delhi High Court. It is stated that their term of appointment for the period of three years has since elapsed. In view of the extra ordinary circumstances in which smooth functioning of the Committee is desirable, in the larger interest of the advocate fraternity, the Chairperson of the Committee in consultation with the Hony. Secretary, has taken decision that till such time the new members are nominated or re-nominated, Shri Ved Prakash Sharma and Shri Surya Prakash Khatri be requested to continue as members. The Committee is pleased to note that both the Hon'ble members have acceded to the request of the Committee.

No other agenda was discussed. Ms. Nandita Rao was granted leave of absence owing to an important meeting that she was required to participate in. The meeting concluded with a vote of thanks to the Chair.

Shri K.C. Mittal, Chairman, Bar Council of Delhi  
Shri Ajayinder Sangwan, Hony. Secretary  
Shri Ved Prakash Sharma, Member, AWF Trustee Committee  
Shri Surya Prakash Khatri, Member, AWF Trustee Committee  
Ms. Nandita Rao, Member, AWF Trustee Committee

Shri Sanjay Jain, Sr. Advocate, A.S.G., Chairperson, Advocates' Welfare Fund Trustee Committee, presided over the meeting.

Minutes of the meeting of Advocates Welfare Fund dated 21.08.2020 were confirmed.

The agenda for today's meeting was to discuss about the status of welfare measures to the needy Advocates post Lockdown due to Covid-19 and also relating to post unlock situation besides discussing further course of action.

At the outset, it was informed by the office that the Bar Council of Delhi, pursuant to the request of the Chairperson of the Fund, has deposited the amount of approximately Rs. 93 lacs with the AWFTC towards its share under Section 15 of the Advocate Welfare Fund Act, 2001. The Members thanked the Chairperson of the Fund for this initiative and also commended Chairman, BCD for promptly releasing the amount so requested.

After due deliberation over the various possibilities and models of relief measures in the wake of the pandemic, it was decided as follows:

Sanjay J.

- a) A further sum of Rs 1 crore will be earmarked for extending the reliefs to the lawyers who are suffering indigent situation on account of the pandemic .
- b) From the said corpus of Rs 1 crore, relief to the extent of Rs 10,000 per person would be provided to such advocates who are found to be indigent after examination of their respective applications, on the criteria to be laid down by the AWFTC.
- c) The AWFTC has entrusted the responsibility to lay down the criteria for giving ex-gratia grant of RS. 10,000 per advocate, to its Hony. Secretary, Sh. Ajayinder Sangwan, who shall prepare a draft application, in consultation with Sh. Ved Prakash Sharma, member of the AWFTC.
- d) The applications will be invited, scrutinized, examined and entertained till such time the above corpus of RS. 1 Crore lasts.
- e) The AWFTC took note of the fact that the BCD has already distributed a sum of Rs. 5,000 to a large number of advocates and if the applicant selected by the AWFTC for the above grant happens to be an advocate, who has already received the above grant of Rs. 5,000, the AWFTC would be adjusting the said amount from its ex-gratia grant of Rs. 10,000 to the indigent advocate, to be eventually approved for the said purpose by the AWFTC.
- f) The AWFTC requested its Hony. Secretary to work out a system through which the above decision of the AWFTC will be disseminated amongst the lawyers registered with the BCD, the applications will be received and scrutinized before the same are being taken up for approving/disapproving.
- g) The AWFTC also decided to request the same sub-committee, which was constituted to sanction ex-gratia grants in the Covid related cases to approve/disapprove the grants in respect of the new applications so received.

It was resolved to implement the above decisions.

*Singh*

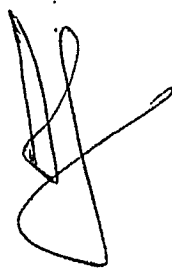

In the above meeting, several other welfare measures were discussed, however it was decided that at this stage, it was the pandemic and the sufferings of lawyers on account of the same, which should take precedence and therefore the other suggestions could be discussed and implemented later.

With the permission of the Chairperson, a medical case was taken up for discussion and decision. Accordingly the application of Tilak Raj Arora (D/644/1991), who sought financial help for undergoing treatment of cancer was taken up. He has claimed a sum of Rs.13 lac, which amount has been verified by the hospital. However, keeping in view that the applicant had already been sanctioned a sum of Rs. 1 lac in September, 2019 by the AWFTC and further that he has received Rs. Rs.4,25,000/- through medical insurance, it was decided to reduce the said amount from the scope of consideration. The case was considered on merits. Keeping in view the nature of ailment, the verified amount and overall circumstances. the Committee deemed it appropriate to sanction an ex-gratia grant of **Rs.4,75,000/- (Rupees Four Lakh Seventy Five Thousand)** to the said Applicant . The amount may be transferred directly to the bank account of the applicant through RTGS/NEFT.

No other agenda was discussed. The meeting concluded with a vote of thanks to the Chair.

It is revealed that most of the applications have been filed by the lawyers, who are already members of CM Welfare Scheme and are entitled to a claim upto Rs.5 Lakh from that fund. Therefore, those lawyers/applicants who are already covered by CM Welfare Scheme and are eligible for the claim upto Rs. 5 Lakh, should not be entitled to any ex-gratia sanction from the Advocates Welfare Fund. However, if the claim is for more than Rs. 5 lakh, then the Advocates Welfare Fund Trust will consider their request. It is, therefore, resolved as under :-

"Resolved that no application of those advocates, who are already covered under CM Welfare Scheme are eligible for a claim of upto Rs. 5 lakh shall be considered by the Advocates Welfare Fund Trust. However, in case the claim of the applicant/advocate exceeds Rs. 5 lakh, the same shall be considered."

The claim of the applicant was not considered earlier by the Committee under the impression that the applicant was covered under the Chief Minister's Welfare Scheme for Advocates. It later surfaced that the applicant was not covered under the said scheme being not a resident of NCT of Delhi. Under the circumstances, the matter was placed before the Committee and it is a decision of the Committee that his application be considered for appropriate action of ex-gratia payment. The office has verified an amount of Rs.3,20,000/-. The ailment in question is pertaining to urinary incontinence. The Committee sanctions an ex-gratia payment of **Rs.2,75,000/-** (Rupees two lakh seventy five thousand) to the applicant, which may be transferred to his account directly through RTGS/NEFT.

2. The 2<sup>nd</sup> application taken up in this meeting is that of **Sh. P.V. Raghunandan, Advocate (D/785/2002)**, who has sought financial assistance for having undergone treatment for Covid-19. He has given his demand of Rs.1,54,279/-, which is based on his hospitalization due to

Covid-19. The verified amount is Rs.1,20,000/-. He has already received a sum of Rs.25,000/- from Delhi High Court Bar Association. The Committee deems it appropriate to sanction an ex-gratia payment of **Rs.70,000/-** (Rupees seventy thousand) to the applicant, which may be transferred to his account directly through RTGS/NEFT.

3. The 3<sup>rd</sup> application taken up in this meeting is that of **Sh. Farahaim Khan, Advocate (D/4-B/1992)**, who has sought financial assistance for having undergone treatment for heart ailment. He has requested for a sum of Rs. 5 lakh. The office verification indicates a sum of Rs.3,84,386/-. 6. The 6<sup>th</sup> application taken up in this meeting is that of **Sh. Santosh Kumar Sharma, Advocate (D/54/1968)**, who has sought financial help for having undergone treatment for Covid-19 and its after-effects. It surfaces that he has not requested for any specific amount and the office report indicates that he is a member of CM Welfare Scheme, however, the

Committee is of the view that it is highly unlikely that a person above the age of 75 years would get any benefit from CM Welfare Scheme. That being the case, given the nature of ailment and totality of circumstances, the Committee deems it appropriate to grant an ex-gratia sanction of **Rs.1,00,000/-** (Rupees one lakh), to the applicant, which may be transferred to his account directly through RTGS/NEFT.

10. The 10<sup>th</sup> application taken up in this meeting is that of **Sh. Naveen Kumar, Advocate (D/2951/2009)** who has sought financial help for having undergone treatment for recurrent pancreatitis. He has claimed a sum of Rs.1 lakh as against which the amount verified is Rs.92,441/-. Having regard to the nature of ailment and the material produced before the Committee, it is deemed appropriate that an ex-gratia sum of **Rs.70,000/-** (Rupees seventy thousand) be released to the applicant. The

*Sanjay Jais*

said amount be transferred to the account of the applicant through RTGS/NEFT.

11. The 11<sup>th</sup> application taken up in this meeting is that of **Mrs. Brijesh Rani Gupta (D/176/1983)**, who has sought financial help for having undergone treatment of breast cancer. Having regard to the recurring nature of ailment and its treatment, the Committee deems it appropriate that for the time being, a total sum of **Rs. 4,00,000/-** (Rupees four lakh) i.e. Rs.2,50,000/- towards treatment and Rs.1,50,000/- towards medicines, be sanctioned as ex-gratia payment to the applicant. The amount so sanctioned be transferred to the account of the applicant through RTGS/NEFT. It is further deemed appropriate to keep the application pending and the office is directed to have the medicinal bills verified.

1. Sh. Surya Prakash Khatri, Hon'ble Member has suggested that the Committee should impress upon the Courts and other Tribunals in Delhi, wherever the advocates have a right to appear and represent their clients that the stamp of the Advocate Welfare Fund is a must and that no representation should be accepted without the same. The Committee appreciated the suggestion and has requested the Chairperson and the Hony. Secretary and to write suitable letters to the Registrars/Administrative Judges of the Courts and the Tribunals in this regard. The committee will also decide about a suitable time to meet Hon'ble Chief Justice of Delhi High Court to apprise him about the activities undertaken by the Trustee Committee and to request him that

an advisory could be issued to the effect that the Advocates Welfare Fund Trust be made recipient of some part of the costs which are being granted by the courts.

2. Shri Sanjay Rathi, Hony. Secretary has suggested that the stamps of Rs.25/- which are split in the denomination of Rs.10/- and Rs.15/- and as such are inconvenient. He has suggested that a consolidated stamp of Rs.25/- should substitute the two denominations. In this regard, the Committee would request Ms. Nadita Rao, Hon'ble Member, Trustee Committee to take up the matter with the Delhi Administration. Shri Sanjay Rathi further suggested that the letters should be written on regular basis from the Trustee Committee to the Presidents of the Bar Associations under the domain of Bar Council of Delhi to the effect that they should undertake an information dissemination exercise to inform all the members associated with them as regards the ample availability of the welfare fund stamps; that this exercise is required to ensure that the advocates do not skip affixing these stamps, because it would adversely affect the corpus of the Committee, without which the activities of the Trustee Committee will be impacted. The Committee authorizes him to write letters to such effect in consultation with the Chairperson.
3. The Committee also discussed to develop an online software, through which the advocates on their own can check the status of subscription/membership paid/payable, if any, and further having the option to pay on their own, the arrears of subscription online. Chairman of the Bar Council of Delhi, is authorized to do the needful in this regard.

No other agenda has been discussed. Meeting is concluded with a vote of thanks to the Chair.

The applicant was diagnosed as having suffered from constipation and chest pain. The amount of Rs.3,14,014/- claimed to have been spent on the treatment does not appear to be realistic. The applicant has already received a sum of Rs.1 Lakh from Bar Council of Delhi. No disbursal of any further amount is called for. The application is accordingly declined.

8. The consideration of 8<sup>th</sup> application taken up today is that of **Mr. Deepanshu BIRTH, Advocate (D/4339/2019)**, who has sought financial help for having undergone treatment of brain hemorrhage stroke, is deferred.

9. The 9<sup>th</sup> application taken up today is that of **Mr. Manoj Gupta, Advocate (D/1188/2017)**, who stated to have undergone treatment of lung infection, is considered. Medical bills perused. Considering the overall circumstances, the Committee deems it appropriate to sanction a sum of **25,000/-** (Rupees twenty five thousand). The amount so sanctioned be transferred to his account through NEFT/RTGS.

With the permission of the Chairman, the following items are taken up :  
The office has included in the agenda the question of granting annual increment to the staff pending the proposal dated 18.04.2022 already forwarded to the Bar Council of Delhi.

It has been brought to the notice of the Chairperson that the amounts released under the head of petty cash are actually not being utilized for any activity pertaining to the Trustee Committee and the same are utilized for the activities of Bar Council of Delhi. It is noted by the Trustee Committee that since 10.07.2020 all its meetings have been held on virtual mode and as such there was no occasion to spend any amount. The office is directed to compile the statement of account of the petty cash withdrawn since 10.07.2020 when the first virtual meeting

was held. Further the statement be placed before the Committee in the course of the next meeting.

It is further resolved that a request letter be issued to the Hon'ble Chairman of Bar Council of Delhi to comply with the request of the Trustee Committee to release its statutory entitlement under the Act. It is clarified that under the scheme of the Act, no amount is payable by the Trustee Committee to the Bar Council of Delhi. This aspect should also be mentioned in the letter addressed to the Hon'ble Chairman of Bar Council of Delhi.

No other agenda has been discussed. Meeting is concluded with a vote of thanks to the Chair.

**Minutes of the meetings held on 22.04.2022, 23.04.2022 and 25.04.2022.**

1. In the last meeting dated 18.04.2022 of AWFTC, it was resolved by the members present that as regards agenda item No.12, which pertained to the applications submitted by Smt. Sushma Vats, Sh. Sanjay Sehrawat and Sh. Ved Prakash, praying for promotion/increment, the matter should be first examined by a subcommittee of Chairperson of AWFTC Sh. Sanjay Jain, ASG and Ms. Nandita Rao, ASC (GNCTD) and member of AWFTC. The office of Bar Council of Delhi was also directed to provide all relevant material to facilitate the sub-committee to do the needful. Basis above, the sub-committee held its meetings on 22.04.2022, 23.04.2022 and 25.04.2022. Shri Snjay Rathi, Hony. Secretary participated in the deliberations as ex-officio member.
2. This sub-committee noticed, on the basis of the record made available to it that even though the Advocates Welfare Fund Act, 2001 does not have any provision for employees, by doctrine of necessity, the AWFTC, in order to administer its statutory functions has appointed three persons as its employees at different point in time.
3. From the record it emerges that Smt. Sushma Vats was initially inducted as employee of the Bar Council of Delhi. Ms. Vats was employed as clerk with effect from 30.11.2000 and at the time of her appointment, her educational qualification was MA, B.Ed; that she was later on taken in the direct employment of the AWFTC with effect from 11.04.2002 as Assistant, pursuant to which she has resigned from the employment of the Bar Council of Delhi.
4. The records further reveal that Shri Sanjay Sehrawat was inducted in the direct employment of AWFTC with effect from 16.04.2002 as Attendant with educational qualification of 12th.
5. Both the above employees enhanced their respective educations during the course of their employment with AWFTC.
6. Shri Ved Prakash Sharma was inducted in the employment of AWFTC as peon with educational qualification of 10th.

*Nandita Rao*

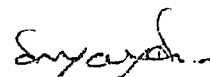

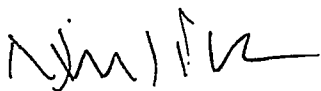

*Shri Jain*

*Sanjay Jain*

7. While Shri Ved Prakash Sharma continues as peon, with last increment of 15% in basic pay on 01.11.2021, Smt. Sushma Vats was promoted as Office Superintendent with effect from 01.04.2013, with last increment of 14% in basic pay with effect from 01.11.2021. as regards Shri Sanjay Sehrawat, he was last promoted as clerk with effect from 21.04.2008, with last increment of 15% in basic pay with effect from 01.11.2021.
8. It is noticed that the AWFTC does not have any hierarchy of employees nor any rules or regulations have been framed. As a matter of fact, the designation of peon, attendant, assistant or for that matter office superintendent are all ad hoc positions, named without any informed analysis.
9. Similarly, there are no minutes in the records of the AWFTC to show as to on what basis their initial basic pay was fixed, pay scales were fixed, increments were given or for that matter promotions were made.
10. The sub-committee has taken note of the fact that AWFTC did require the services of the staff and that the above three persons were working for 20, 20 and 13 years respectively. Keeping in view, without going into the examination of above deviations, with larger picture in mind and giving primacy to human considerations, the sub-committee refrains from making any observations in this regard and recommends that the employment of all the three persons be treated confirmed and permanent, retrospectively, from the date of their respective joining.

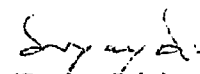

11. Now the sub-committee of AWFTC recommends as follows:-

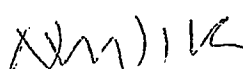

- (a) The present sub-committee may be specifically empowered to formulate appropriate recruitment rules, service conditions, leave policy, medical benefits, group insurance, pay scales and increment policy, promotion policy, provisions for gratuity and/or pension, provisions for superannuation and retirement and other related issues including provisions for disciplinary proceedings;

- (b) The above rules may be framed in the shape of a rule, regulation or a scheme, as may be eventually decided by the full house of AWFTC;
- (c) Till the above are framed, the above three employees will continue to be governed by the scheme in the above regard, to the extent prevalent for employees of the Bar Council of Delhi.
- (d) The sub-committee, therefore, recommends that the above named three employees as on 01.04.2022, in their present positions/designations of office superintendent, clerk and peon respectively be considered on the basis of their respective applications by the appropriate committee of the Bar Council of Delhi, for increment or promotion, as the case may be and that the said committee may make recommendations to the AWFTC.
- (e) Upon receipt of the recommendations from the Bar Council of Delhi, the same would be deliberated and appropriate decision would be taken by the AWFTC.

The report is submitted accordingly.

The minutes of the last meeting dated 14.09.2022 were confirmed.

The following agenda items were taken up :

1. The 1<sup>st</sup> application taken up today is that of **Sh. Pawan Kumar Gautam, Advocate (D/397/2012)**, who has sought financial assistance on account of having undergone treatment for CIPD (Chronic Inflammatory Demyelinating Polyneuropathy). The verified amount is Rs.1,50,144/-. The bill pertains to medicines and as per the policy of the Committee, the Committee ordinarily do not permit claims towards medicinal bills. However, keeping in view the peculiar nature of the deceased, as one time measure, the Committee deems it appropriate to grant an ex-gratia sanction of **Rs.75,000/-** (Rupees seventy five thousand), which may be transferred to the account of the applicant through NEFT/RTGS. It is made clear that further application in this regard will not be entertained.

2. The 2<sup>nd</sup> application taken up today is that of **Sh. Deepanshu BIRTH, Advocate (D/4339/2019)** who has sought financial assistance from this Committee as having undergone treatment for brain hemorrhage stroke. Medical records perused. The verified amount is Rs.2,21,195/-. Keeping in view the overall circumstances, the Committee deems it appropriate to grant an ex-gratia sanction of **Rs.2,00,000/-** (Rupees two lakhs) to the applicant. This amount so sanctioned be transferred to the account of the applicant through NEFT/RTGS. The application is thus disposed off.

3. The 3<sup>rd</sup> application taken up today is that of **Sh. Bhim Kishore, Advocate (D/7715/2020)** who has sought financial assistance from this Committee for having undergone treatment for arthroscopic bankart repair of right shoulder. Keeping in view that the claim of the applicant is not much, the Committee deems it appropriate to grant an ex-gratia sanction of **Rs.35,000/-** (Rupees thirty five thousand). The sanctioned amount may be transferred to the account of the applicant through NEFT/RTGS. The application is thus disposed off.

4. The 4<sup>th</sup> application taken up today is that of **Mr. Manjot Singh, Advocate (D/465/2022)** who has sought financial help for having undergone treatment of acute necrotizing pancreatitis. The verified amount is Rs.3,86,000/-. The Committee is of the view that the membership of the applicant is recent, however, he is only 28 years of age and has suffered, whereas bills pertain to pancreatitis which is critical organ in the human body. Keeping in view the overall circumstances, the Committee is of the view that a sum of **Rs.3,00,000/-** (Rupees three lac) be sanctioned to the applicant and ex-gratia and this amount may be transferred to the account of the applicant by way of NEFT/RTGS.

5. The 5<sup>th</sup> application taken up today is that of **Mr. Zuhaib Najmi, Advocate (D/868/2015)** who has sought financial assistance for having undergone treatment for spinal injury due to an accident. The verified amount is Rs.1,93,748/-. The Committee takes note of the fact that the applicant has suffered an accident, and under the current regime of motor accident claims, it is quite likely that he may have received the claim and may be in the pipeline to receive claim from the MACT. Be that as it may, given the fact that the applicant has suffered a specific injury and may be on medication, as a special case, the Committee deems it appropriate to sanction a sum of **Rs.40,000/-** (Rupees forty thousand) towards his claim. It is made clear that no further claim towards the medicine will be entertained by the Committee. The sanctioned amount may be transferred to the account of the applicant by way of NEFT/RTGS.

6. The 6<sup>th</sup> application taken up today is that of **Mrs. Shaheen Israr, Advocate (D/148/2009)**, whose husband Mr. Israr Ali, Advocate has sought financial assistance for his wife having undergone treatment for high grade fever. It is a death case. The office informs that after receiving

the insurance amount, the original claim of the claimant with respect to the treatment of the deceased wife was for Rs.1,99,796/-. The office reports that out of the settled claim, a sum of Rs.1,45,650/- has already been released by the Insurance Company and the balance claim is only Rs.54,141/-. Keeping in view that it is a death case, the Committee deems it appropriate to sanction an ex-gratia amount of **Rs.50,000/-** (Rupees fifty thousand) to the applicant. The amount so sanctioned be transferred to his account through NEFT/RTGS. The application is thus disposed off.

7. The 7<sup>th</sup> application taken up today is that of **Mr. Uchit Bhandari, Advocate (D/407/1982)** who has sought financial help for having undergone treatment for cataract in both the eyes. Ordinarily, the Committee is reluctant to sanction the amounts for age related deceases. The Committee is of the view that it needs to formulate guideline for entertaining claims towards the cataract operations which do not ordinarily require any hospitalization and the patient, in the ordinary course, is released on the same day. In view of the facts and circumstances, the Committee is of the view that let there be the guidelines to the effect that for each case of cataract claim, the maximum financial help sanctioned, irrespective of the medical evaluation, would be Rs.25,000/-. Accordingly a sum of **Rs.50,000/-** (Rupees fifty thousand) i.e. Rs.25,000/- per eye, may be released as ex-gratia to the applicant. This amount may be transferred to the account of the applicant through NEFT. The application is thus disposed off.

8. The consideration of 8<sup>th</sup> application pertaining to **Mr. Babu Lal, Advocate (D/607/2022)**, is deferred.

9. The consideration 9<sup>th</sup> application pertaining to **Mr. Naresh Gupta, Advocate (D/543/1983)**, is deferred.

10. The 10<sup>th</sup> application taken up today is that of **Mrs. Anita Sharma, Advocate (D/1798/2019)**, who stated to have undergone treatment of umbilical hernia, is considered. The Committee takes note of the fact that umbilical hernia is a common medical condition, which requires minimal hospitalization. The Committee is of the view that it needs to formulate guidelines for entertaining claims towards hernia related health issues, which do not usually require any hospitalization and the patient in the ordinary course is released on the same day. In view of the facts and

circumstances, the Committee is of the view that let there be the guideline to the effect that for each case of hernia related health condition, the maximum financial help sanctioned irrespective of the medical evaluation, would be Rs. 25,000/-. Accordingly a sum of **Rs.25,000/-** (Rupees twenty five thousand) may be released as ex-gratia to the applicant. The application is thus disposed off.

11. The 11<sup>th</sup> application taken up today is that of **Mr. Ram Naresh Mishra, Advocate (D/5286/2018)**, who stated to have undergone treatment for Lumbar Potts Spine with koch's abdomen with said. The application is rejected on the ground of ineligibility, which arises on account of the applicant not being a member of any Bar Association as required under the Act.

12. The 12<sup>th</sup> application taken up today is that of **Mrs. Madhulika, Advocate (D/3736/2016)**, who stated to have undergone treatment of Large Intramural Myoma, is considered. Medical records perused. The verified amount is Rs.74,000/-. Considering the overall attending circumstances, the committee deems it appropriate to sanction a sum of **Rs.70,000/- (Rupees seventy thousand)** to the applicant. The amount so sanctioned be transferred to his account through NEFT/RTGS. The application is accordingly disposed off.

13. The 13<sup>th</sup> application taken up today is that of **Mr. R.K. Bharani, Advocate (D/1767/2004)**, who stated to have undergone treatment for hypertension, CAD-SVD(LAD), ICMP-32%, CA+330, is deferred with the direction to the staff to get verified the medical record of the applicant i.e nature of ailment etc.

14. The 14<sup>th</sup> application taken up today is that of **Mr. Deepak, Advocate (D/4539/2019)**, who stated to have undergone treatment of blood cancer, is considered. Medical bills perused. Considering the age of the applicant, seriousness of the disease and overall attending circumstances of the applicant, the Committee is of the considered view that a sum of **Rs.10,00,000/- (Rupees ten lakh)**, which matches the maximum cap fixed by the Committee, be sanctioned to the applicant. The amount so sanctioned be transferred to his account through NEFT/RTGS. The application is accordingly disposed off.

15. The 15<sup>th</sup> application taken up today is that of **Mrs. Mehjabeen Naaz, Advocate (D/3801/2022)**, who stated to have undergone treatment for gall bladder stone. The Committee takes note of the fact that stones in gall bladder is a common medical condition, which requires minimal hospitalization. The Committee is of the view that it needs to formulate guidelines for entertaining claims towards treatment of gall bladder stone on the lines of cataract and hernia related health conditions, which do not ordinarily require any hospitalization and the patient in the ordinary course is released on the same day. In view of the facts and circumstances, the Committee is of the view that let there be the guidelines to the effect that for each case of gall bladder stone related claim, the maximum financial help sanctioned, irrespective of the medical evaluation, would be Rs. 25,000/-. Accordingly a sum of **Rs.25,000/-** (Rupees twenty five thousand) may be released as ex-gratia to the applicant. The amount so sanction be transferred to the account of the application through NEFT/RTGS. The application is thus disposed off.

16. The 16<sup>th</sup> application taken up today is that of **Mrs. Syeda Kishwer, Advocate (D/203/2012)**, who stated to have undergone treatment for Dengue, is considered. Medical bills perused. Considering the overall circumstances, the Committee deems it appropriate to sanction a sum of **60,000/-** (Rupees sixty thousand) to the applicant. The amount so sanctioned be transferred to the account of the applicant through NEFT/RTGS. The application of the applicant is thus disposed off.

17. The 17<sup>th</sup> application taken up today is that of **Mr. Kapura Ram Dogra, Advocate (D/913/2011)**, who stated to have undergone treatment for cataract extraction with IOL implantation. For the reasons stated in respect of the seventh application, a sum of **Rs.50,000/-** (Rupees fifty thousand) i.e. Rs.25,000/- per eye, is sanctioned and may be released as ex-gratia to the applicant. This amount may be transferred to the account of the applicant through NEFT/RTGS. The application is thus disposed off.

No other agenda has been discussed. Meeting concluded with a vote of thanks to the Chair.
